What is our common start point?

Children need
a fresh start

Children need
continuity

Children need
to see a school which is ready to greet them

Children need
to see a kinder-garten which is ready to send them to school

Children's **participation** in the social community should be in focus

E.g. when we divide the children into groups, pairs, etc.

Children's **learning** in the social community should be in focus

E.g. when we divide the children into groups, pairs, etc.

Children should be supported in **their own learning**

Children should be supported in obtaining **specific knowledge**

E.g. about the course of the year, the seasons, spelling their name, etc.

Children should be supported to be able to **receive collective messages and be resourceful**

Children should be supported to be able to **work together and solve conflicts**

Children need **adults to participate in their play and support it**

Children need to **play and explore for themselves**
